## New DEOS product catalog in the partner section (available from March 2018)

The new DEOS product catalog is valid from 1st March, 2018. Despite numerous market activities, we can also guarantee stable prices in this edition.

The new products in the DEOS product catalog are marked with as "NEW". These innovations also include:

- New BACnet & CAN bus actuator
- Expanded range of products of the DEOS Cloud Solutions
- Extensive changes and new products in the chapter on sensors
- New control unit: FCT (Fan Coil Thermostat)
- Modular training offer for 2018 in the product catalog
- Prices can again be found directly in the catalog – No additional price list is required

From mid-February, we will send the product catalog to our partners by post or in printed form via your sales contact. If you need additional examples for you and your colleagues, please contact your responsible sales contact. Alternatively, the digital version is already available for downloading in the [Partner section](#).
