Your DEOS Team

DEOS AG at the 2017 ISH

DEOS AG is once again showcasing its products and services at the ISH trade fair between March 14th and 18th in hall 10.3 at booth A19. The major trends of this year's trade fair include the following areas:

- Energy efficiency and comfort in buildings through intelligent building technology
- Digitalization and IT security in building automation

You may want to plan your visit at our trade fair booth. Simply fill out the [Contact form](#) to schedule your personal visit. Let us know your preferred date and time of your visit along with the subjects you would like to discuss.

We look forward to presenting you our new solutions and products as well as engaging in intensive and valuable expert discussions.

New DEOS product catalog on April 1, 2017

The new marketplace DEOS product catalog will be valid starting on **April 1, 2017**. The new prices will also apply on this date.

Among other things, the new additions to the product catalog include:

- New controller OPEN 600 EMS basic24
- VAV (Variable Air Volume) controller
- FCU (Fan Coil Unit) controller
- New control units and zone valves - also pressure-independent versions
- OPEN EMS with integrated M-Bus interface
- OPEN 710 or 810 EMS version with the /0 option

You now have the exclusive opportunity to order the new product catalog for yourself and your colleagues. Simply use the form to do so. We will then send you the new catalog starting on March 13th.
