OPENweb Cloud

Is your BMS hardware outdated? Would you like to spare yourself the trouble of installation and update procedures as well as maintenance and servicing costs? Directly move to the cloud and discover building automation that has never been this easy. **Request a personal quotation and discover all the advantages of cloud-based OPENweb.**

* List prices of OPENweb 10 can be found in the current DEOS product catalogue.

** The term is automatically renewed by 12 months. In the event of cancellation, all benefits described will expire. Three months cancellation notice prior to end of term.

OPENweb Upgrade Service

Service options for DEOS system partners

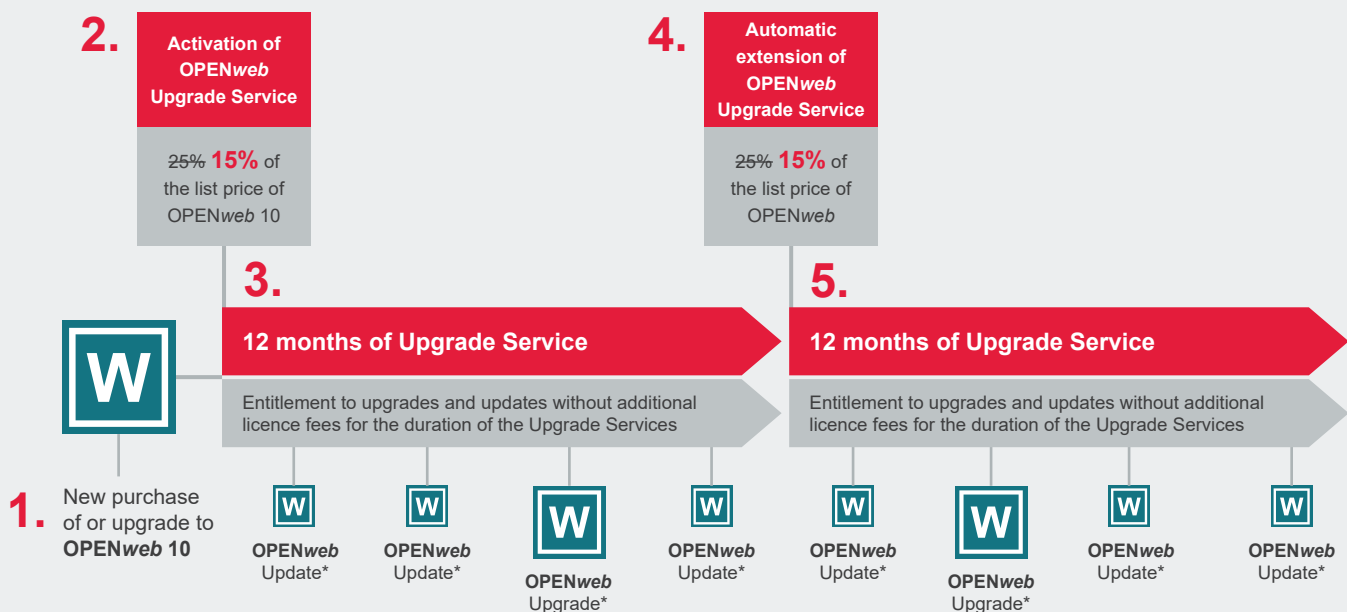

The OPENweb Upgrade Service is an additional performance option for DEOS system partners and it can be included in the new purchase of or an already purchased OPENweb licence. All future upgrades and updates of OPENweb will be at your disposal free of charge. This way you can always provide your customers with the latest features and security updates and increase customer loyalty.

The Upgrade Service is valid for 12 months. All OPENweb upgrades and updates will be at your disposal free of charge during this period. Any previous costs for once-off upgrades no longer apply. The Upgrade Service can only be booked for the current main version of OPENweb (OPENweb 10).

Take advantage of this upgrade offer to bring your OPENweb application up-to-date and receive the Upgrade Service at **no charge for the first 12 months**.

Advantages of the Upgrade Services

- ✓ Full and latest range of OPENweb BMS functions
- ✓ Maximum IT security thanks to ongoing improvement of software program
- ✓ The Upgrade Service is more cost-effective than once-off upgrades
- ✓ Plannable and low annual cost for the Upgrade Service
- ✓ Customer loyalty thanks to new service options such as updates, upgrades, and back-ups of software programs or maintenance services of operating systems

* Example of OPENweb upgrading and updating processes to illustrate the Upgrade Services. No guarantee is given.
