

The Hong Kong Academy for Performing Arts, China

The Hong Kong Academy for Performing Arts, established by Government Ordinance in 1984, is a leading tertiary institution in performing arts in Asia. It provides professional undergraduate education and practice-based postgraduate studies. The academy encompasses Chinese Opera, Dance, Drama, Film and Television, Music and Theatre and Entertainment Arts. Its educational philosophy reflects the cultural diversity of Hong Kong with emphasis on Chinese and western traditions, and interdisciplinary learning.

DEOS provided the complete Building Management System for this iconic project – OPENweb, OPEN EMS controllers and single room units together with more than 200 DEOS VAV controllers which are integrated via BACnet. Furthermore DEOS provided aswell all required Sensors for the HVAC equipment.

This project was executed by one of our local partners in conjunction with DEOS China, which is based in Hong Kong.
